

**FORR Local 33 Meeting Minutes  
Dec 16 2017**

Pledge/ Moment of Silence/ Meaning of FORR

Pres- Sarge; A big hello to our guest Mike Meador from Holden MO. Hope you join us. Adopt a Family is our big event of the year. This year we have 4 families to give a "Hand UP, not a Hand OUT" to. We will be gathering up after the meeting to go to Wal-Mart for presents and such and to Woods for the food for our families. After we get done boxing food goods and wrapping presents we will have a little pizza party to show our appreciation for all the hard work we have all done. Tomorrow we come to Am Vets at 1pm with the food we made to give out gifts and at 2pm eat Christmas Dinner with our families.

Next meeting will be Jan 21<sup>st</sup>, 2018. This will be a quick meeting today to try to get out of here by 1pm.

Vice- Larry; Thank you all for showing up. Nice to see smiling faces. This month I have been working on flyers and such for the Freedom Rally and have realised this is a hard task. So when you see your fellow members working on a task. Tell them Thank You for your hard work! I think I've lost some more hair over the deal!

Sec- Nancy; Minutes submitted. No changes. Doug/Deanna/Granny/DD/Hutch and Denise did not getting a copy of the minutes. Get with Sarge and make sure he has a good email on you and he will try again.

There are more questions than answers on this.

We have a new Chairman- Mark Katz. Vote was 13 to 9.

Sarge- Lynn Adkins sent out an email to warn all to not trust the new Committee Leaders and Tres at CC. New Tres has judgments against her. There are no background checks on these people. We will have Cowboy be our eyes and ears up there and report back to us.

News- Shelly KS; Nothing

Hist- No Historian. GW quit.

HRC- Pat; Not in Attendance- Karen's birthday. Happy Birthday Karen!!

Dist 4- Denise; Nothing

Freedom Rally- Allen; The Band Coordinator, Larry Chaney, is pushing "Day Passes". He has been crunching numbers at \$15-\$20 per person and we would come out ahead. Military members want to come out for just a night and locals from Buckhorn area feel the same, especially on Saturday. We will propose a 24 hour pass for them to leave at 7am the next morning. There will be no need to increase security because they have to watch for armbands anyway and numbers could jump even without a day pass and there would be no increase in security. It would be money back in our pockets. We need to take a vote back to the Freedom Rally Committee as we need 4 of the 6 locals to vote yay on this. Local 33 votes "YAY"!

Raffle Project- Larry; Money keeps rolling in. Tickets are selling great! We have about \$1,000 left to sell. Keep up the good work! Get more tickets after meeting.

Product Line- Tamra; we need a committee to approve purchases with Tamra to head the committee. Committee members are Tamra, Deb, Shelly KS and Nancy.

Bike Show Product- We need Local 33 product to sell. We are ongoing sponsors to the Bike Show.

Web- Sam; He has been working hard on moving the Domain. This will be coming up for renewal in March and it will have the same name. Need FORR debt card in place for this. We're moving forward. Monthly minutes will be on website.

State Fair Project- Randy; No new info until March

Old Business; None

New Business; Larry-Does Product Line need starting money or spending amount they can go up to, to purchase product? Yes! Shelly P. gave Tamra prices on each product. Larry motioned for \$500 start up/Cowboy seconded/Passed.
