Legislative; Once again they have "F'ed" us. We have a governor that is willing to sign our Bills and Amendments but the Legislative will only say "NO" and "F" us again. All our bills this year were defeated. Lesson to be learned is...If you keep electing the same Dumb A's you will get the same results. Quit electing them! Last year's excuse was we had a Democrat as a governor, but this year we don't but can't get anything to his desk to be signed! They're lying to us! Every time! Every time they open their mouths they're lying to us! It's BS! And time we UN-elect these MF's!

Asking for people to go to the Meeting of the Minds- June 29th, talk to Roy for info on the Mid South Mile.

COC; Elected a new Chairman. Must get it up and running right. Tony Sheppard wants to be paid for his lobbying expenses.

Product line; Shelly is working on the pictures for next year's calendar so we need to submit our pictures to her by September.

Historian- GW; Still needs to be put on the Face book page as an administrator so he can post pictures.

Dist 4- Denise; Not in attendance

Road Captain- Pat; May 2<sup>nd</sup> was the motorcycle awareness Rally in Jeff City, had a pretty good turnout, Local 33 had 12-13 members show up.

Has a list of other locals meeting times and places. Would like for people to go to these and meet and greet and capture their flags. You must have 3 or more from our local to attend to capture a flag. The list is for nearby locals.

Pat needs everyone's Emails and phone numbers of anyone interested in going on "Fun Runs" and for the Monthly Odometer Contest. Larry and Nancy would like to donate the prizes for the monthly winners.
